International Journal for Multidimensional Research Perspective (IJMRP) releases its publications on a Bi-Monthly basis, amounting to 24 issues every year.

By mutual agreement between IJMRP and the contributing authors, the following terms are established:

Upon submission, authors entrust IJMRP with exclusive first rights to review, edit, and potentially publish the presented work. By this submission, all copyright ownership, title, and associated rights of the work are provisionally transferred to the Journal.

This submission encompasses not only the primary content meant for publication but also any supplementary materials forwarded to IJMRP. Should the Journal decide against publishing the presented work, the author(s) will receive prompt notification, and all provisional rights conferred to the Journal will be duly returned to the contributing author(s).

The provisional transfer to IJMRP comprises, among other things, rights to edit, circulate, republish, index, and archive the content in printed, digital, or any other conceivable format. This holds regardless of whether such formats are prevalent at the time of this agreement. Moreover, the Journal retains the prerogative to assert copyright over the work globally for the entirety of the copyright term, including any subsequent renewals or extensions.

Once accepted, the work unequivocally becomes an IJMRP asset. Republishing it in any other platform necessitates a formal authorization from the Journal. Authors, by entering this agreement, vouch for their sole contribution to the work, guaranteeing its originality, and assuring that it remains free from any third-party copyright or personal rights infringement. Furthermore, the authors affirm that neither this work nor any similar derivative of it has been submitted elsewhere. However, any permitted reproduction or sharing of the work mandates an appropriate citation, recognizing both the Journal and IJMRP's publishing rights. A proper citation would include the article's title, contributing author(s), the name of the Journal, and its corresponding volume/issue, followed by the copyright year.

#### REFUND GUIDELINES

As a standard, ALL PAYMENTS MADE ARE IRREVOCABLE. Payments made under the categories of "No-shows," "Extra-Page Payment," "Excess Payment," or "Additional Payment" will not qualify for a refund and will be treated as voluntary donations. However, if there's a genuine need for a refund, and the request is made no later than 2 days before the Registration Deadline, we may consider it after deducting applicable cancellation charges. All such refund requests should be directed via email to info@chandigarhphilosophers.com. Any request received after the Registration Deadline will be deemed invalid.

As the primary author, I assure that neither "IJMRP" nor its "Editorial Team" will bear responsibility for any potential third-party copyright claims or any ensuing legal actions. In such events, I alone will stand responsible. Furthermore, I confirm that the submitted article doesn't contain any defamatory or illegal statements. During our research, we followed all legal and ethical standards, secured necessary permissions, and didn't resort to any prohibited methods or materials.
